# Welcome to Yellowstone Baptist College

Welcome to Yellowstone Baptist College! For over a quarter of a century YBC has been equipping men and women for lifelong Christian service. During this time a number of distinctives have become apparent:

- All studies are integrated around Christ as the Truth.
- In a small school, students, faculty, and administration really get to know each other, building friendships that can last a lifetime.
- Each student's participation in an accountability group provides nurture, encouragement, and accountability necessary for individual spiritual growth.
- The Ida Dockery Owen Library provides excellent resources for Christian education.
- YBC offers the lowest tuition possible so students can graduate without indebtedness.
- The nearness of many Indian reservations provides opportunities for cross-cultural experiences.
- The location of YBC in the heart of the Yellowstone River Valley, within sight of the Beartooth Mountains, lends itself to unique outdoor recreational activities.

Our original mission to educate and train those called by God is as strong today as when originally envisioned by YBC founders in 1974. Our future is bright. I am pleased that you have joined us. I promise you a rewarding personal and educational experience.

## STUDENT ACTIVITIES

### CHAPEL SERVICES / ACCOUNTABILITY GROUPS

Chapel offers a unique opportunity to bring the college community together for participation in the process of personal and corporate transformation through experiences with God. The program regularly involves students as both participants and leaders in worship of God. The desired results are spiritual formation on the YBC campus, an increased commitment to the Lord, a great sense of campus community, the integration of faith and learning as preparation for service, and openness to an understanding of various forms of worship. Chapel programs are presented Wednesday mornings at 11:00 am.

Your assistance is necessary as we strive to promote a spirit of worship and unity. Therefore, we ask that students proceed to their seats in an orderly and timely fashion, that talking is kept to a minimum, and that dress is appropriate for a worship setting.

Accountability groups meet Tuesday mornings at 11:00 am. We desire that our small group ministry will prepare every YBC graduate to show excellence in Christian leadership through:

- 1) being held accountable for the ministry they have been entrusted with
- 2) effectively sharing their faith
- 3) possessing skills needed to lead a small group

1. All students, faculty, and staff are encouraged to participate.
2. Participation is required for non-degree seeking students enrolled for nine (9) or more hours AND ALL degree seeking students. Off campus work schedules must accommodate the chapel and small group schedule.)
3. It is the responsibility of each student to sign into chapel. Note: The expectation is that the student will be present for the entire worship time in order to receive credit for attendance. If a student arrives after the sign in time or leaves before the conclusion of chapel she/he is counted absent.
4. No more than six (6) absences are permitted per semester.
5. More than six (6) absences will result in the student being placed on disciplinary probation for the following semester.
6. Chapel Conduct: It is expected that students will give respect by refraining from talking and remaining until the program is dismissed. Headphones, newspapers, food and drink are not allowed in the chapel. Hats are not permitted to be worn by male students and must be removed before entering the building. Cell phones must be in the off position during chapel. Students who fail to comply with standards of good contact will be asked to leave and no credit will be given for that chapel.

7. Students will be given the opportunity to participate in chapel in the following areas:
  - Operation of PowerPoint
  - Run Video
  - Run Sound
  - Give Announcements
  - Testimonies/Preaching

## **STUDENT MINISTRIES PROGRAM**

Because of YBC's strong commitment to the Christian faith, each student is required to become actively involved in a local evangelical church. The college desires to see each student become consistent in church attendance, serve in a ministry of a local church, live by faith, and mature as a Christian. This is tracked through the Student Ministries Program.

The purpose of this program is to provide opportunities to combine the student's classroom learning experiences with practical ministry application in the local evangelical church setting and active involvement in a YBC accountability group. This program provides a supervised opportunity for the student:

1. to become a servant leader.
2. to develop skills in the practice of Christian ministry.
3. to use the student's service in the local church to solidify what s/he has perceived as the call of God into professional Christian ministry.
4. to help clarify the area of ministry into which the student has been called.

Additional Objectives:

1. allow participating churches to become training ground for future leaders.
2. offer ministry assistance to a local church.

### **Program Requirements:**

1. Students must actively serve in a local evangelical church under the supervision of an approved church ministry coach.
2. Church ministry must be a minimum of one hour per week not including preparation time.
3. Student must report weekly through the system established by the College for accountability.
4. Evaluation of student's ministry will be completed once a semester with church ministry coach.
5. Students will participate weekly in a YBC accountability group for encouragement and to share ministry experience from their local church.
6. If a student changes churches s/he must be active in new church within **(4) weeks** of the change.
7. New students may take up to one semester to identify a local church and place of ministry. During this time the student will meet weekly with the Student Ministries Program Director to evaluate progress.

Students who are not committed to a church and a ministry within the required time frame will be placed under the supervision of the Student Ministries Program Director for a period of two weeks. During this time the director will assign a four page paper and work with the student to find a place to serve. Further failure to acquire a ministry by the end of the two weeks will result in suspension (see page 28 of the Student Handbook).

## **STUDENT SERVICES**

### **BULLETIN BOARD**

YBC provides four bulletin boards on campus where information can be disseminated. Two are just outside classroom 15 in Warren Hall, one is by the mail boxes and the other is in the cafeteria over the book table. Announcements that appear on these boards should be cleared through the office, be dated so they can be removed when no longer pertinent, and be relevant for members of the College community.

### **ACADEMIC AND PASTORAL COUNSELING**

Academic and pastoral counseling is available to the student body on an as needed basis.

YBC does not offer emergency services. If an individual is having a health crisis s/he is instructed to go to St. Vincent Emergency Clinic, Deaconess Emergency Clinic, or call "911". These emergency care personnel will then notify YBC, and YBC staff will visit the student if permissible.

### **FINANCIAL AID**

Although YBC does not participate in state and federal aid programs, a wide range of College and denominational scholarships are available. Scholarships and grants at YBC are granted primarily on the basis of financial need. Only full time students (12 or more credits per semester) who maintain a 2.5 grade point average are eligible.

YBC also offers a Work Study program involving a commitment of four hours a week that is available as the school has need. Monies earned through the Work Study program are applied directly to the student's tuition and fees.

The student and his/her family are responsible for paying all costs that are not covered by financial aid. Interested applicants are encouraged to write or call the office directly to secure application forms and to determine their eligibility for specific assistance.

### **FOOD SERVICE**

The food service is offered Monday through Friday when classes are in session (three meals a day) in the cafeteria located in the basement of Steinkuehler Hall. For those not living on campus, meal tickets may be purchased in the business office.

### **HEALTH SERVICES**

Though no on-campus medical care is available, Billings Clinic (238-2500) and Saint Vincent Hospital (657-7000) are located in downtown Billings.

Each resident assistant in the residence halls is responsible for calling an ambulance, hospital, or doctor when any residence hall student needs emergency medical care. When possible the Vice President of Student Affairs should be consulted before calling. In case of student illness or emergencies requiring medical assistance in a classroom, the teacher will notify the Vice President of Academic Affairs and/or the appropriate medical facility for assistance.

Friday – Saturday                              8:00 am – 12:00 am

3. Accidents will happen. However, if you spill it, clean it up immediately.
4. Movies and games are for your enjoyment; put them away when you are finished so others may use them. Please leave movies and games marked Student Center in the Student Center.

6. The center is a place for rest and relaxation, not gossip and griping.
7. The guidelines for public display of affection apply to the Student Center as well as any other place on campus. Failure to behave in this manner will result in the removal of Student Center privileges for those involved.
8. After office hours (5:00 pm) and on weekends two members of the opposite sex may not be alone in the Student Center without another person present. Non-compliance will result in immediate disciplinary action by the president.

Misconduct in the Student Center may result in reducing the hours of operation or closing the center completely. Report abuses of the Student Center guidelines to a member of the Student Council, but only after you have attempted to handle the offending individual. (Matt.18:15-17)

Possession of or making use of College keys for an unauthorized purpose is prohibited. Duplication of College keys requires approval by the administrative office.

## **COMPLICITY**

A student present during the commission of an act by another student which constitutes a violation of College policy may also be charged if his/her subsequent behavior constitutes permission or approval of the violation. Students witnessing any act(s) which constitute(s) a violation of College policy are required to report such incidents to the proper authorities. Confidentiality of the identity of students reporting violations will be maintained as it is not the intent of the College to burden innocent witnesses. Academic issues are to be reported to the Vice President of Academic Affairs as soon as possible, and any non academic issue should be reported to the Vice President of Student Affairs.

## **COMPLYING WITH REASONABLE REQUESTS**

Students are required to comply with reasonable requests or orders by authorized College officials acting in behalf of the College. This requirement includes reasonable requests for students to meet appointments in administrative offices and expectations for students to participate in Student Life (e.g., residence hall meetings and orientation).

## **COMPUTERS**

YBC provides computer labs for the use of its students, staff and faculty for academic purposes. The following guidelines should be observed:

1. A library atmosphere should be maintained in the library.
2. The computers are available first to students and faculty for class-related research and homework. Non-students may use the computers on a use by use basis. Please inquire in the office.
3. Please use headphones to listen to audio files, CDs, or DVDs.
4. Computer users may use the computers to receive and send e-mails and instant messaging, remembering that students needing the computers for class work have priority.
5. The computers and the internet are never to be used to access any kind of unacceptable web site, i.e. sites containing pornography in any form, sites that access unacceptable music or literature of any kind, and so forth. "Whatsoever is pure . . . think on these things." Anyone found to be accessing inappropriate websites or using the school's computers inappropriately will be subject to disciplinary action.
6. Computer users are not to create any files that are stored on the computer's hard drive. All created files must be on a removable disc.
7. Computer users are not to download anything to the computer's hard drive. Any downloaded software, shareware, freeware, information, programs, music, games, etc. must be saved to a removable disc.
8. Computer users are not to install any programs on the computers in the library. No matter how desirable the program may be there are licensing issues that must be addressed. Please request installation of new software in the Administration Office.

9. Computer users are not to customize any part (change the defaults) of the computer to their own tastes. This includes the desk top, backgrounds, screen savers, sounds, colors, fonts, preferences, program customizations or options and so forth. Computer users are certainly free to create personal files (stored on a removable disc) using their own preferences, but do not change the defaults.

### **DEBTS**

No one is permitted to contract a debt for YBC unless authorized to do so, in writing, by the Business Office. To preserve the good reputation of the institution and her entire family (faculty, staff, and students), **all personal debts** on and off campus should be satisfied completely, on or before the dates due. Students having marital difficulties during college days are encouraged to seek help through the free service provided by the YBC counselors. Should serious marital difficulties arise during one's academic career, the student should inform the Vice President of Academic Affairs who will attempt to provide assistance. Should separation and/or divorce occur, all available services will be offered. However, if the circumstances of the relationship become disruptive to the student's progress or the life of the College, the student may be required to withdraw from his/her degree program. Application for re-entrance may be made after reconciliation is accomplished or one semester after the effective date of the divorce. Following divorce, regular application procedures will be required.

### **DRESS STANDARDS**

Personal appearance and dress are a vital part of a Christian student's example. Students are to accept individual responsibility for appropriate dress. They must demonstrate a mature attitude in their dress and appearance while attending classes or engaging in other academic and extra-curricular pursuits about the campus. Please, no shorts in chapel, but walking shorts are acceptable in other venues. However, no spaghetti strap tops, bare midriffs, halter tops or miniskirts are permitted on campus. ## **HOUSING REGULATIONS**

The College maintains residence halls and a mobile home park. Each type of housing is affected by general and unique regulations.

## **RESIDENCE LIFE**

Yellowstone Baptist College provides separate residence halls for single male and female students. YBC encourages single students to live on campus during their years of attendance. Living on the YBC campus, while financially beneficial to the student, also provides unique opportunities not available in other residence communities.

## **RESIDENCE HALLS**

Laundry facilities are available in each residence hall. Single students from outside the greater Billings area and local students not living with family who are 24 years of age and younger are required to live in a YBC residence hall during their first year as a student on the YBC campus.

Since YBC is a residence college, certain responsibilities fall to each resident. When these responsibilities are not accepted and one infringes upon the rights of others within the community, the College administration will support the rights of all and will take appropriate action to ensure these rights.

If a student is expelled from a residence hall, no refund of fees will be granted. All students living on campus must observe housing and campus regulations and respect College property, in accordance with the signed housing contract and YBC student handbook. To successfully implement the College's principles of student life, the following guidelines have been established regarding life in the residence halls:

## RESIDENT HALL REGULATIONS

- 1) Room assignments for men and women are made by the Vice President for Student Affairs or the Resident Assistants upon the student's arrival. Students who are not enrolled for at least 12 semester hours will be eligible for campus housing only on a space available basis. Full-time students will receive priority.
- 2) A non-refundable fee of \$50.00 is required to reserve a room. This fee helps YBC with general upkeep and maintenance of the residence halls. Any damage (not including normal wear and tear) to campus property will be the responsibility of the student.
- 3) No heating appliances, hot plates, coffee makers, or outside antenna wires are allowed in the rooms.
- 4) No cooking is allowed in rooms, and microwave cooking should be confined to the lounge areas.
- 5) Trash containers are provided for each room. No food trash is to be placed in these containers. Such containers should be regularly emptied in the outside dumpster.
- 6) Common area containers are for trash collected as students study, watch television, or socialize in the fellowship room and are **not for disposal of room trash**.
- 7) Residents are responsible for keeping (day by day as a way of life) their own rooms neat (habitually orderly in appearance) and clean (free from dirt; unsoiled and unstained). Inspection dates and times will be posted at the beginning of each month. Inspections will be done as frequently as necessary to maintain the residence hall buildings. Failure to pass inspection results in disciplinary action. Residents whose rooms are consistently slovenly and dirty between inspections are also subject to disciplinary action, including revocation of the privilege of living on campus.

### **Fine Schedule**

#### Individuals:

First violation = Warning

Second violation = \$25.00 fine

Three fines in a semester = Disciplinary Probation

#### Dorm Teams: Working together to clean common areas

First violation = Warning

Second violation = \$25.00 each person on team

Discipleship means discipline and a resident's determination to become a disciplined person begins with the simple things: hanging up clothes, making a bed, and putting shoes in their place. These "trifles" are the very essence of a disciplined character and a disciplined character produces a disciplined mind and body.

- 8) The common areas of the residence halls are the joint responsibility of all the residents.

- 9) The residence halls are not only places of living but also studying. Sound levels from music, movies, discussions, games, etc. must be confined to your own room so as not to disturb other residents. Quiet hours are from 10:30 p.m. to 6:00 a.m. every night except for Friday and Saturday when quiet hours begin at 11:30 p.m. At this time, all lounge and room noises cease (i.e. radio, television, computer, movies, music devices, loud conversations, etc.) along with any activity that may disturb others.
- 10) Heating (in the men's residence hall) should not be adjusted by anyone except the Resident Assistant. Heating (in the women's residence hall) can be adjusted in each individual room; however, special attention needs to be given to turning heaters down when not in the room.
- 11) Occupants will furnish all personal supplies such as towels, washcloths, linens, bath soap, toilet paper, facial tissue, etc. Bathroom cleaning supplies will be furnished for the dorms.
- 12) Residents of the residence halls are not permitted to alter the physical structure or paint of the rooms in any way. College owned furnishings will not be moved into or out of a room without permission from the Vice President of Student Affairs. Beds must be used as designed. Small items of sports equipment may be kept in a room but not bicycles or similar large items. Bicycles may be kept in the storage shed. The walls and doors will not be defaced in any way.
- 13) No posters or pictures may be hung in the common rooms, hallways, or outside residence hall doors. Only a nameplate holder and a small message board may be affixed to the outside of the residence hall room door.
- 14) Common areas in the residence halls are for the benefit of all the residence hall residents. The furnishings may not be moved about the room nor the décor of the room altered without permission from the Vice President of Student Affairs. Changes in room décor or furnishings will be authorized by the College administration.
- 15) Television is provided in each resident hall, located in the lounge. Installation of room telephones must have written approval from the Business Office. The student is responsible for room installation fees and associated monthly billings.
- 16) Relatives and friends of students are always welcome to make visits to the campus and be a part of college life for a brief period. A student may have guests overnight in the residence hall. The first two nights per semester are free and subsequent nights will be charged at \$12 per night. **Guests must always be registered with the Resident Assistant and the Administration Office.** Students who abuse the overnight guest policy may lose the privilege. Fees must be paid at the Business Office. All guests are expected to abide by all college rules while on campus. Those hosting guest should assume responsibility for sharing these expectations with their guests. Yellowstone Baptist College desires to make visits of all guests pleasant and the entire staff desires to assist in every way possible. Empty rooms and apartments on

campus may be reserved for a small fee on a space available basis with the Administrative Assistant.

- 17) Unassigned residence hall rooms are off limits.
- 18) For security reasons, the women's and the men's residence halls are equipped with code locked doors. These entrance doors are to remain closed and locked at all times. It is important to make sure that the doors close behind you. **The entry codes are not to be shared with anyone.**
- 19) All residents are encouraged to lock their rooms when leaving even for a short time. The College does not assume responsibility for money, valuables, or other personal property left in apartments, rooms, or elsewhere on campus.
- 20) The College retains the right to enter and inspect rooms at any time, with reasonable cause, for purposes related to maintenance, security, and the upholding of College regulations.
- 21). A student who falls behind for two months in his/her financial obligations for room and board fees will be required to move out of the residence hall.
- 22) If a current residence hall student chooses not to enroll for classes the upcoming semester, that student may remain in the residence hall for one additional month, if his/her bill is paid and up-to-date, and if space is available. The student must pay in full for the additional month, and must pay no later than the 5<sup>th</sup> day of the month of the additional month requested.
- 23) Residence halls will close each semester on the first Monday following final exams. The last night of lodging will be Sunday with check out required on this first Monday. Final room inspections at check out must be completed by the Resident Assistant or the Vice President of Student Affairs.
- 24) A current student may reside in the residence halls over Christmas break, January Term or summer break whether or not they are enrolled in classes for these times. However, their bill must be paid and up-to-date, and space must be available. If the student is not enrolled in classes at these times, the fee for each month's room rent must be paid in full, and in advance on or before the 5<sup>th</sup> day of the month.
- 25) Any student, who chooses not to rent a room over Christmas break, must check out by the residence hall closing date for that semester. Personal items may remain in the room if the student has registered for Spring classes. However, check out must be completed with the Resident Assistant or the Vice President of Student Affairs and room keys must be returned. A student may rent the room for the complete break only.
- 26) By the Spring Semester closing date/check-out, all items must be removed from your room. Limited storage space is available for a fee to those students whose home residence is outside the state of Montana. See the Business Office for details on storage.

- 27) Students exhibiting inappropriate behavior in the residence halls or on the campus in general, will be addressed according to the disciplinary procedures in the student handbook.

### **INITIATION OR HAZING**

No initiation or hazing of any kind is permitted.

### **LAWS, VIOLATION OF**

Any act by a student which constitutes a charge of violation of a public law occurring on campus may establish cause for legal and/or disciplinary action by the College.

### **PEDDLING AND/OR SOLICITING**

No peddling, soliciting, or commercial enterprise is allowed on campus. Violations should be reported to campus administration.

### **PETS**

Animal pets of any kind are allowed on campus only with special permission.

### **SEXUAL MISCONDUCT**

#### **General**

Engagement in any sexual act outside of a monogamous heterosexual marriage is not in keeping with the ideals of Christianity or this institution. Such an act is grounds for dismissal.

#### **Sexual Harassment**

Yellowstone Baptist College does not tolerate or condone any form of sexual harassment. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature which: (1) Is aimed at coercing an unwilling person into a sexual relationship; or (2) Requires submission to (or rejection of) such conduct as the basis for employment or academic decisions affecting the individual; or (3) Unreasonably interferes with the individual's work or academic performance for work or learning by creating an intimidating, hostile, or offensive environment for work or learning.

Acts of sexual harassment may include, but are not limited to:

- 1) Sexual battery (nonconsensual touching of another in a manner which would be deemed offensive according to a reasonable community standard);

- 2) Requesting sexual favors accompanied by implied or overt threats concerning one's job, grade, letter of recommendation, etc.;
- 3) Verbal harassment or abuse of a sexual nature;
- 4) Physical contact such as patting, pinching, or unnecessary touching as defined under sexual battery;
- 5) Subtle pressure for sexual activity;
- 6) Sexist remarks or gestures regarding a person's body, clothing, or sexual activities.

If you feel that you are being sexually harassed, you are encouraged to seek help. As a first step, contact the Vice President of Student Affairs. Your discussion will be strictly confidential and does not commit you to further action. However, should you decide to pursue the matter, the above officer will assist you in filing charges through the student or staff disciplinary procedure (See Sec. 8.4.).

### **Sexual Assault**

Yellowstone Baptist College will not tolerate sexual assault in any form, including acquaintance rape. Rape is generally defined as, but not limited to, forced sexual intercourse perpetrated against the will of the victim. This applies regardless of whether the assailant is a stranger or an acquaintance of the victim and applies to all members of the YBC community. The type of force may involve physical violence, the threat of harm to the victim, or sexual exploitation of a person who is physically unable to resist or who is unconscious. This policy also applies to any other sex-related assault or offense, including any form of sexual battery.

Many forms of sexual assault are a violation of the criminal statutes of the State of Montana and may subject the perpetrator to criminal penalties. The College will make no attempt to shield members of the YBC community from the law nor will it intervene in legal proceedings against a member of the YBC community. In addition to criminal prosecution, YBC will pursue strong disciplinary action through its own channels when there is reason to believe that the College's regulations against sexual assault have been violated. Thus, a member of the YBC community may be prosecuted by the state and disciplined by the College and, even if criminal authorities choose not to prosecute, the College may pursue disciplinary action.

### **Emergency Reporting**

YBC encourages victims of sexual assault to report the incident in order to deter these assaults and to ensure that victims receive counseling, advice, and support. Reports of sexual assault should be made immediately to the Vice President of Student Affairs.

Once the Vice President of Student Affairs learns of a sexual assault on the campus, the office will cooperate to provide the victim with counseling and guidance.

In reported cases of rape including acquaintance rape and other cases of violent sexual assault, the College will: (1) Encourage the victim to receive rape crisis counseling and medical attention; (2) Encourage the victim to report the incident to local police; and (3) Assist the victim in receiving counseling and guidance by referral to a counseling center (counseling is at the expense of the student). The College must report the incident (without the name of the victim) to the appropriate law enforcement authorities. Unless specifically requested by the victim not to do so, the College will report the incident and the name of the victim to the proper law enforcement.

## **Disciplinary Action**

Any person electing to initiate a disciplinary action against a student for allegedly violating the rules of the College must inform the Vice President of Student Affairs as soon as practicable and said action will proceed in accordance with the formal procedure adopted by the College and stated in this handbook. Once disciplinary proceedings have been concluded, the victim is entitled to knowledge of the results of the proceedings.

## **STUDENT GROUPS, RECOGNITION OF**

In order to be classified as a student organization, established recognition procedures must be met and approved by the administration of the College.

## **THEFT, UNAUTHORIZED POSSESSION AND/OR SALE OF PROPERTY**

Students involved in theft, unauthorized possession, and /or sale of property not belonging to them are subject to College disciplinary action as well as the arrest and prosecution by legal authorities. Students in unauthorized possession of property owned or controlled by the College (i.e. bookstore, library, etc.) are subject to College disciplinary action as well as arrest and prosecution by legal authorities.

## **UNAUTHORIZED ENTRY**

Unauthorized entry into or use of College-controlled property is prohibited.

## **VEHICLES, USE OF**

Riding of bicycles in hallways, in buildings, or on walkways is prohibited. Motorized vehicles are prohibited in areas other than designated roadways and parking lots. Mopeds are considered in the same category as bicycles. Roller skating or skateboarding is prohibited on the campus in locations or at times which, in the discretion of campus officials, constitute a pedestrian or motor traffic hazard or which imperil the health or safety of persons and property on the campus.

## **WEAPONS, FIREARMS, FIREWORKS, EXPLOSIVES**

No students, except law enforcement officers, may have weapons in their possession at any time on College property. Weapons are defined as firearms, knives, explosives (including fireworks), inflammable materials, or any other item that may cause bodily injury or damage to property. Possession is defined as including possession within the student's car while parked on campus.

## DISCIPLINARY PROCEDURES

**All observed or perceived violations of the College Code of Conduct should be reported to the Vice President of Student Affairs, who will determine the appropriate response or procedure.**

### AUTHORITY OF THE PRESIDENT

The President of YBC, in consultation with appropriate administrative staff, may suspend (as defined in Section 8.4.6) a student summarily if the President believes the student in question has acted in a manner clearly inconsistent with the College Code of Conduct. If the President believes the student's presence represents a danger to life and property s/he may be required to immediately leave the campus.

### DISCIPLINARY CASES

Without limiting the power of the President as stated above, in all other situations, every effort will be made by the administration and the Vice President of Student Affairs to solve student difficulties at their inception. (See Section 8.4 – Disciplinary Actions) Students who are charged with violations of the College Code of Conduct will receive formal written notice of the violation from the Vice President of Student Affairs, a copy of the code that is violated, and the consequences.

### STUDENT GRIEVANCE AND APPEAL PROCEDURE

#### Policy

Students have the right, through this grievance procedure, to resolve conflicts related to staff, faculty, and students as well as disagreements they may have with YBC policy. Under no circumstances shall the act of filing a grievance negatively influence the treatment or continued stay of the student.

**Purpose:** To ensure that students have a process available to initiate a complaint and an appropriate means of requesting a hearing to review the complaint.

**Appeal Procedure:** A student who has a problem, complaint, or concern about any matter related to the College is encouraged to seek a satisfactory resolution of the matter through the following process:

- 1) The student shall prepare a concise written statement of the matter under dispute.
- 2). If the grievance is with another person, as a first step, the student should go to that person with their written grievance and seek to resolve the matter privately.
- 3) If the grievance is not settled there then the student should take the matter to the Vice President of Student Affairs. At this point a file is begun that contains a copy of the written statement of the grievance under dispute, a written record of this meeting which includes a written record of the Vice President of Student Affairs' recommendation for resolution.
- 4) If satisfactory resolution is not reached with the Vice President of Student Affairs the grievance will then be referred to the Administrative Affairs or the Academic Affairs Committee, depending on the area of responsibility. The appropriate committee will hear the matter, review written documentation and render a final decision, in writing, in the matter.

- 5). Appeal to the President. Should the student be dissatisfied with the disposition of the grievance s/he should appeal in writing to the President.

## **DISCIPLINARY ACTIONS**

(Note: the following is not a progression only a listing of possible disciplinary recourses.)

### **Warning**

A warning will be given to the student to refrain from violations of the College Code of Conduct, the College Covenant, or requirements concerning Student Life.

### **Fines**

A fine of \$25 will be imposed upon a student if the student violates a specified requirement of the College (e.g., absences at required college meetings and dorm residence responsibilities). Three fines per semester automatically result in Disciplinary Probation. See page 22 for fine schedule.

### **Restriction or Revocation of Privileges**

A temporary or permanent loss of campus privileges may include, but is not limited to, the use of a particular college facility (e.g., the gym or student lounge) or social activity or event such as intramural recreation.

### **Restitution**

Students found guilty of damage to or misappropriation of property of the College, students, staff, or others on campus will be held responsible for restitution. Reimbursement may take the form of appropriate service to repair or otherwise compensate for damages as directed by the Vice President of Student Affairs.

### **Disciplinary Probation**

A student who has violated any aspect of the Student Code of Conduct, the College Covenant, or expectations of involvement in Student Life may be placed on disciplinary probation (consequences delineated in the YBC Catalog). Continued enrollment depends on the maintenance of satisfactory citizenship during the time of probation. Depending on the severity of the violation(s) and any repeated violation(s) of the above-mentioned, suspension or expulsion of the student may be a necessary course of action.

### **Suspension**

A student may be placed on mandatory separation from the College for a period of time as specified in a formal suspension statement. A student who has been suspended is barred from enrolling in any classes at YBC during the suspension. Students may re-enroll at the college when the suspension order has elapsed and when the student has met all requirements as outlined in the formal suspension statement.

### **Expulsion**

Expulsion is defined as mandatory separation from the College with no promise of future readmission.

# EMERGENCY PROCEDURES

## INCLEMENT WEATHER

YBC has adopted this policy to ensure that the safety of the students and employees will not be jeopardized during inclement weather. The college operates and maintains National Weather Alert Radio that provides up to the minute weather advisory alerts of approaching local area dangerous weather conditions.

Decisions affecting classes and College operations will be made by the Director of Maintenance in consultation with the Vice President of Business Affairs and the President no later than 6:00 a.m. on the day in question. That decision will be announced through area radio stations and television stations.

Care will be taken to specify what areas of the College are affected, *i.e.* if classes and offices are closed, or if offices are open and personnel are to be on duty.

## ON CAMPUS EMERGENCIES

Major emergencies encompass such disasters as fire, tornado, earthquake, chemical spills, and military action.

Should any of these events occur, the President of the College or his designee may declare a state of emergency and order evacuation of all or part of the campus. Evacuation shall be supervised by the President.

Yellowstone Baptist College has a reciprocal agreement with Yellowstone Boys and Girls Ranch to provide temporary housing in the event of an emergency. To arrange housing for YBC students on their campus, call the administrator on call at Yellowstone Boys and Girls Ranch, 670-2206.

In the event of a national disaster or explosion, students should seek shelter in an interior doorway or under a desk or table. After debris ceases to fall, evacuate the building and contact the President (home 656-8696 or work 656-9950). Also, assist the disabled and wounded in evacuation. Follow the directions of the College or civil authorities.

In the event of a fire, sound the fire alarm, evacuate the building and contact the President's Office and /or contact the Fire Department (911). Do not re-enter the building. Follow the directions of the College or civil authorities.

In the event of a man-made hazard (chemical spill, radiation threat, etc.) evacuate the building and/or area and contact the President.

Should serious injury occur, contact the President or another available administrator and call 911.
